1. What do you consider to be short-term concerns of Lakewood?

Reaching a fair and timely settlement with American Family Insurance regarding the loss of building 400 and using the settlement in a way that benefits owners and their families for many years to come.

Rebuilding the playground.

2. What do you consider to be the long-term concerns of Lakewood?

Maintaining the low maintenance fees for owners.
Retaining current owners while adding additional owners.
Keeping Lakewood a family friendly Gold Crown Resort.

3. Why do you want to be a Lakewood board member?

I have been part of the Lakewood family for 35 years with 2 family members previously serving on the board. While I am a new owner this year, I have many memories of vacationing at Lakewood from when I was a child. Now that I have a family of my own, I want to help shape the future of Lakewood so when families visit, they have the same memories as I did growing up.
